CHILDREN'S TEA parties

Make their celebration magical! Introduce your child and friends to the cultural art of an elegant tea with all the trimmings. Remember it's pinkies up! Good posture and manners are the order of the day.

Children and grown-ups will enjoy a variety of tea sandwiches, freshly baked scones and assorted delectable sweets. Of course, our dedicated Tea Hostess will accompany these house-made items with a selection of the finest teas and beverages.

Your daughter's or granddaughter's important celebration can be unique! Gather with her and some friends for some classic sipping and conversation at the historic Peter Allen Inn.
